Zot Account Online is the access point for viewing information in the Student Billing System. Your ZOT Account Online is available twenty-one hours each day, seven days a week. See your current account information and view or print up to 12 past monthly ZOTBills. See what's been paid and when, or what's due and when. If you have aid, see if financial aid or graduate aid has paid your fees. You can even see if a payment has been made to your account, but hasn't been applied, and find out why. Go to [https://zotaccount.uci.edu](https://zotaccount.uci.edu), enter your UCInetID and password, your student ID number, and you're in!

If you haven't activated your UCInetID, you can do so at the Office of Information Technology Web site: [https://ucinetid2.nacs.uci.edu/activate/menu.html](https://ucinetid2.nacs.uci.edu/activate/menu.html).

You can view the ZOTBill schedule/calendar at [https://zotaccount.uci.edu/zotbillsched.html](https://zotaccount.uci.edu/zotbillsched.html)
